

# DREAMS TAKE FLIGHT

“Magical Memories for Special Kids”

## Dreams Take Flight & the Air Canada Foundation Spread their wings to Fort McMurray children.

The Edmonton chapter of Dreams Take Flight will be welcoming an additional 50 children who were forced to leave their homes during “The Beast” wildfires in Fort McMurray. Air Canada provides DTF with an aircraft allowing us to bring special children to Disneyland for the day. We have a long history already with Northern Alberta communities, as children from there have been apart of our programs for the past 24 years.

This year, Air Canada responded in a big way providing DTF Edmonton with a much larger aircraft, a Boeing 767. This gesture of kindness will allow us to increase the number of children going to Disneyland on September 14, 2016 to a minimum of 160 children – 50 more than we were originally planning for. For these additional children, we are removing much of the current selection criteria and are just using the 4 factors listed below.

Air Canada and Dreams Take Flight Edmonton continue to make northern Alberta a priority during these difficult times. We appreciate their commitment to ensuring young children have an opportunity to experience Disney and leave behind their sorrows for a day.

Details and more information about DTF can be found at: <http://yeg.dreamstakeflight.ca>
